the government, and they is frustrating and impeding my
litigations.

I can't go to the Law Library or read
case law because Barack Obama will not let
me go. I am a prisoner to the law, and don't have ^{legal} assistance
to help me file (Legal work) for this matter. The Law Library
in this institution is a computer that I don't know how to use,
and they don't give computer classes ^{or} legal assistance here.

I don't know how to go about my litigation anymore.
I know I need affidavits from the ~~state~~ officials in Apr. 6, 2024
Letter to CNN, and don't have the resources or financial statement
to get them. I have 35,000 people that need to be apprehended and
